

Kylund Arnold

Business Manager

Kylund was named the business manager of the Council of Institutional Investors in August of 2022. He currently helps oversee and manage the Council's daily operations, financials, events, and strategic initiatives.

Kylund joined the Council as an administrative assistant in April 2016. In 2017, he was named as an executive assistant. From there he was named to the role of marketing manager, business operations. Prior to joining CII, Kylund worked as both a marketing intern for Outerloop Management and a membership representative for Nielsen. Kylund graduated from American University in May 2015 with a B.A. in Business Administration and a minor in Marketing.
