

Michael Miller

IT & Resources Director, Council of Institutional Investors

Michael joined the Council of Institutional Investors in June 2007 as a part-time Web site consultant and was hired full-time as the IT Services Manager in June 2008. He was promoted to Communications Manager in 2013, and to IT & Resources Director in 2022. He is responsible for managing CII's website and the website for CII's Research and Education Fund, CII's member listserv, membership database, IT infrastructure, and communicating CII's activities to members and the press, hosting CII's members-only webinars, and producing CII's podcast, The Voice of Corporate Governance. Michael has a B.S. in Computer Information Systems from Ithaca College.
