MEDIA ADVISORY
Leading Investor Group Fall Conference, September 21-23, Boston

Speakers Include S&P U.S. Chief Economist Beth Ann Bovino and Public Company Accounting Oversight Board Chair Erica Williams

Washington, D.C., August 31, 2022 — Members of the media are invited to attend the fall conference of the Council of Institutional Investors (CII), September 21-23 at the Westin Copley Place Hotel in Boston. View the full conference agenda here.

CII represents pension funds and other long-term institutional investors and is a leading voice for effective corporate governance, strong shareholder rights and sensible financial regulation. The 400+ participants will include investment professionals, regulators and corporate governance experts. Session topics will range from navigating global conflict and geopolitical risk to how financial regulation and legislation may change after the U.S. midterm elections.

Plenary sessions and member-hosted meetings on Wednesday, September 21, and Thursday, September 22, are open to the press. All events on Friday, September 23, are closed to the media.

Press must register to attend. Click here and make sure “Press” is selected under Member/Registration Type to register.

###

About CII: The Council of Institutional Investors (CII) is a nonprofit, nonpartisan association of U.S. asset owners, primarily pension funds, state and local entities charged with investing public assets, endowments and foundations, with combined global assets that exceed $4 trillion. CII's associate members include non-U.S. asset owners with more than $4 trillion in global assets, and a range of asset managers with more than $35 trillion in global assets under management. CII is a leading voice for effective corporate governance, strong shareowner rights and sensible financial rules that foster fair, transparent and vibrant capital markets.
